

European XFEL workshop series 2005/2006

Diffraction, Crystallography and Imaging at the European XFEL

DEUTSCHES ELEKTRONEN-SYNCHROTRON DESY

Oktober 28/29, 2005

Location

The workshop takes place at DESY, Hamburg. The sessions will be held in seminar room 4a in building 1b, 1st floor, on the DESY site.

Scientific programme

The scientific programme was established in collaboration by J. Hajdu (Uppsala), I. Robinson (Chicago) and G. Grübel (Hamburg). In addition to the presentation of scientific experiments using XFEL radiation, a discussion of requirements and issues related to the realisation of experiments will be part of the workshop. The detailed programme can be found shortly on the website.

Workshop secretary

The workshop is organized by HASYLAB/DESY and secretarial help is provided by Mrs. Imke Gembalies at HASYLAB/DESY.

Contact: Imke.Gembalies@desy.de, phone : +49 40 8998 4434, fax: +49 40 8998 4475

Accommodation

1. DESY Hostel: Please contact the DESY Guest Service to make a reservation for a guest room provided at DESY. This is an inexpensive and convenient accommodation. Mention "XFEL workshop" to make sure you are getting one of the pre-reserved rooms.

Contact: DESY Hostel, hostel@desy.de; phone: +49 40 8998 2740

2. Novotel Bahrenfeld: This is a nearby hotel of good standard. Mention that you are DESY guest to receive a reduced room rate.

Contact: **Novotel Hamburg Arena**, Albert-Einstein-Ring 2, 22761 Hamburg, phone: +49 40 89 95 20, fax: +49 40 8995 23 33,
